Message from David Seigerman,
Director of Public Safety/Peace Officer

As we begin our new semester we are anxious to get to class and work on time. With that being said, nothing is worth getting into an accident or getting a summons for speeding.

Please be mindful of the posted speed of 30MPH on College Road. The Sheriff’s Office will be monitoring all the college roadways for compliance.

Thank you again and have a very successful, fun, and safe semester.

HAVE YOU CHECKED YOUR COLLEGE E-MAIL TODAY?

FOOD PANTRY

The Phi Theta Kappa Honor Society (PTK) in conjunction with the Center for Learning and Student Development Services (aka the Learning Center) has launched a campus food bank in response to the needs of some of the students here at the college.

Students: If you are in need of something to eat without the means to acquire a meal you may come to the Learning Center to select items for yourself free of charge, no questions asked. We will also gladly accept your donations of non-perishable goods.

Staff: We need your assistance stocking the food bank should you be able to help. Non-perishable foods will be kept in the Learning Center including paper goods, and beverages.

This announcement is bitter sweet… PTK is happy to support their fellow students, but saddened by their cause.
