

How to Access ANGEL and SLN Online Courses at Sullivan

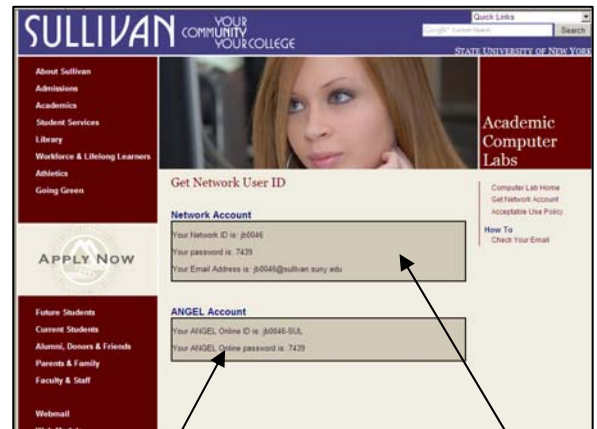

Your computer account information to access ANGEL and SUNY Learning Network (SLN) courses is usually available **3 days prior to the start of the semester**. However, if you register just prior to the start of the semester, it may take 2-3 business days after your registration is keyed at Sullivan County Community College (SCCC) to access your account.

Step 1. Username and Password

Students who have logged into ANGEL at SCCC the previous semester, use the same ANGEL account information and proceed to Step 2.

Students who have **never used** ANGEL at SCCC or did not use it last semester follow the directions below:

- A. Connect to www.sunysullivan.edu
- B. Click on “**Student Services**”.
(Located on the side menu bar)
- C. Click on “**Academic Computing**”.
(Scroll down – located under “Campus Resources”)
- D. Click on “**Get Network Account**”.
(Located in the upper right corner under “Academic Computer Labs”)
- E. **Key in student ID number, last name, and ZIP code.**
(Student ID# is located on your schedule, the printed receipt from the student billing or the SLN letter received from registration services)
- F. Click on “**View AUP**” and read it.
- G. Click the box in front of “**I agree to the Sullivan County Community College Acceptable Use Policy**”
Your information will be displayed as shown to the right.
Copy this information and keep it in a safe place.
